

APPLICATION FOR SERVICE CONNECTIONS - RESIDENTIAL

I am the owner of the property described as:

Street Address: _____

Legal Description: _____

I hereby apply for water and sewer service connections to serve said property.

I understand that said service connections may be discontinued upon default of any charge against said property, and I agree to promptly pay all such charges and to abide by all rules of the City now or hereafter in effect, both for myself and for any occupant of my said property, and that the meter and all connections thereto shall be and remain the sole property of the City.
