

## HELP AVAILABLE TO MULTNOMAH COUNTY RESIDENTS

**Unlimited Choices®** is a local community-based, private, non-profit organization that assists homeowners, mobile home owners and renters. We have funds available in the cities of Fairview, Wood Village, Troutdale, and Corbett in Multnomah County for low to moderate income individuals and families.

Our **Adapt-A-Home®** program provides people with physical disabilities the ability to retain their independence by making their residence accessible. Through this program we provide accessibility modifications such as wheelchair ramps, handrails, grab bars, roll-in showers, raised toilets, and widened doorways.

The **Adapt-A-Home®** program is grant funded and available at no cost to our clients.

If you could use our assistance, please call us at **(503) 234-6167**. We look forward to hearing from you!
